If an e-transfer is not possible, please hand in your order along with payment of 1 cheque per family to your parent rep.

Parent reps - after collecting orders please reach out to me at fundraising1@centralperthminorhockey.ca to make arrangements for the fundraising committee to collect the orders and payment from you. Orders need to be collected by Tuesday, November 24, 2020.

In order to earn back a levy selling products you need to sell a profit amount of at least \$150. It can be a combination of Elmira Poultry, Little Caesars Pizza Kits, Rheo Thompson Mint Smoothies, Millbank Cheese.

How much do you need to sell?

For Elmira Poultry to earn back a full levy you would need to sell 30 boxes (for a half levy, you need to sell 13 boxes). For Little Caesars Pizza Kits you would need to sell 25 boxes for a full levy (13 boxes sold would cover half a levy).

You can also earn back your levy selling Rheo Thompson Mint Smoothies. They sell for \$2 each. If you sell 273 mint smoothies you will have covered a full levy (137 mint smoothies will cover half a levy). If you would like to get any Mint Smoothies please reach out to Tiffany at 519-291-0897.

Have you got your minor hockey Yeti yet? We have some available. They are \$45 each. Message me at fundraising1@centralperthminorhockey.ca to get yours.
