

2022/2023 Fundraising Timeline

Letter from the fundraising committee,

I am Sheena DeBlock, head of the fundraising committee, I have a small but mighty group behind me that will be helping to make this year a success. Introducing Tina Beirnes (also a Director with CP), Leasa Skinner (kindly staying on to pass on her knowledge), Kelly Smith, Lyndsay Coghlin, Lori Perrie, and April Bowles. There will be lots of opportunities for families to cover their levies throughout the season. Following this message there will be a description of the fundraisers and events and how levies can be earned back. Also, I wanted to be clear just because the levy amount was raised **doesn't** mean you have to sell or work more. ONE levy is still 6 hours of your time; any of the fundraisers below; OR a combination of them all. We will have a running tally of your earnings throughout the season. (Eg. 3 hours worked, 63 mint smoothies and 7 boxes of pizza is 1 levy) So many options!!! Please feel free to reach out at any time! We will try and get back to you in a timely manner. As the year progresses, we will email the whole organization asking for volunteers for CP events, they will be picked on a first come first serve basis. (Not before) so when you see the email—respond to it right away to get a spot! Details for all fundraising opportunities will be posted on the CP webpage as well—for future reference. We are trying to give everyone a clear vision of the fundraising season so you can make a tailored plan to suit your household! I hope this message clears up some questions and concerns regarding the levy!! If you have any questions or concerns, please reach out!! I hope for this to be a very successful year!!

Cheers,

The **FUN**-raising Committee 🙌
