Charlie's Secret

Dark

This coffee is so good you'll want to keep it a secret too. Charlie's Secret is a smokey, dark roast with notes of spicy black pepper that will awaken the palate, but, of course, that's classified information.

Sleepy Monk's Own

Medium

Our most popular roast, and for good reason! A well-balanced cup with notes of sweet caramel, toasty malt and bright citrus – you'll be singing its praises too.

Signature Collection

Bestselling House Roast Coffees

Castle Reserve

Medium

Paying homage to Baden's most famous landmark, Castle Kilbride, this coffee gets our confidence vote. Wild rice in the aroma carrying over to leguminous flavours of fresh, garden peas with a finishing earthy note. Fruity aftertaste with a medium body.

Sandhills

Medium

We tip our hat to where it all began, the famous Baden street where our founder grew up, and where our first brick and mortar store was located. Sandhills has a distinct aroma of nuts with flavours of cloves and brown sugar and a buttery finish. Low to medium body and low acidity.

Festival Roast

Dark

Developed for the "inn" crowd who patronize the Festival season in Stratford, this coffee hits all the right notes. Toasted bread and red wine in the aroma followed by flavours of chocolate and smokey charred wood. Medium body.

Sixth Avenue

Medium-Dark

Growing up on Sixth Ave helped shape our company and our roastmaster. This homage has wine and bread in the aroma, caramel and dark chocolate in the flavour. Medium body and medium acidity.

Peaks

Light

Named after our famous glacier-made Baden Hills that reach 434 metres in height and, contrary to popular belief, is not where we grow our coffee. Nutty and toasty throughout with flavours of honey, butter and a syrupy sweet finish. Medium body and low acidity.

All of our coffees are available in Katie Kups, our brand of K-Cups.

Sold in boxes of 12.
