

Sleepy Monks Reserve Fairtrade Organic Coffee

CHARLIE'S SECRET

You will detect a ground pepper aroma, a smoky flavour with high acidity and good balance across palate. Only Charlie knows the secret.

SLEEPY MONKS OWN

Fruity wine aroma, followed by a caramel, malty, citrusy ride. This is our original Fairtrade roast and our most popular. It is medium acidity and high in body. The perfect cup.

Baden Signature Collection Roasts

CASTLE RESERVE

Wild Rice in the aroma carrying into leguminous flavours of garden peas and an earthy tone. Smooth aftertaste with Medium body. Named after Castle Kilbride right here in Baden.

FESTIVAL ROAST

Inspired by those who patronize the Festival season in Stratford. Chocolate and red wine throughout met with earthy and smoky tones in the flavour. Medium to high body.

PEAKS

Named for the Baden 'peaks' here in our town. Nutty and toasty throughout with a syrupy sweet finish in the aftertaste. Low acidity and a Medium body.

SANDHILLS

We tip our hat to another Baden landmark here. A distinct aroma of spices and nuts with a brown sugar flavour and buttery finish. Low to medium body and low in acidity.

SIXTH AVE

Wine and bread in the aroma, caramel and dark chocolate in the flavour. It has a medium body and medium acidity. Growing up on Sixth Ave helped shape our company and this coffee.

TALE OF THE BEAVER
