Lottery Tickets and Fundraising

Lottery Tickets

Lottery tickets are a major fundraiser for our minor hockey association. At registration each family will give a cheque post dated to November 30, 2020 for one or two books of lottery tickets. Each family registered with CPMH will have 1 or 2 books of lottery tickets to sell. One book for one child registered and two books for 2 or more children registered.

Fundraising

There are many fundraising opportunities provided by minor hockey for families to earn back their fundraising levy. Fundraising levies are \$150 per player. Fundraising levy cheques can be post dated to January 31, 2021 or if you opt out of any fundraising your fundraising fee is included with registration. To earn back one fundraising levy parents can either work a minimum of 6 hours or sell products that result in a profit of at least \$150.

The following opportunities go toward a levy:

- Coach or assistant coach for a team - earns back 1 full levy
- Team trainer - earns back 1 full levy
- Team manager or parent rep - earns back 1 full levy
- Work the door taking admissions for half the season for co-ed and girls 'C' teams - working ½ a season earns back 1 full levy
- Helping at our hockey weekend - usually scheduled in November (various jobs) - shifts are usually 3 hours long which covers ½ a levy
- Selling products that we earn a profit from (i.e. Elmira Poultry, Rheo Thompson Mint Smoothies, other products the fundraising committee would decide on) - selling \$150 in profit earns back a full levy or sell \$75 in profit for 1/2 a levy
- Helping sort out food orders earns back ½ a levy
- Being a member of the executive

Fundraising opportunities are emailed out via parent reps, found on the website or posted on the bulletin boards at each arena. Please note that these fundraising opportunities are all voluntary. You can choose to opt out of any fundraising and we will cash your cheque. Fundraising cheques are cashed if you do not complete fundraising to cover your levy/levys.
